

All-Stars

Dec. 6, 2019

Dear Parent(s)/Guardian(s),

Congratulations to the players who participated in the recent tournaments. We earned some team and individual awards, so we are once again off to a good start in our season. As we close down 2019 and look ahead to 2020, there are some important announcements below and on the back of this letter:

- Our next free CCF tournament is Sat. Dec. 14 at a new location: Taft High School. Please see the details on the back of this letter, and the attached permission slip, which needs to be returned by next Thu. Dec. 12.
- Please see the updated calendar that is being sent home with this letter (also available on the Bateman website: <http://bateman.cps.edu/bateman-chess.html>).
- As you have heard, CPS has two make-up days scheduled for Jan. 2 and 3. There are no chess practices scheduled for Thu. 1/2. However, I will offer Free Chess Friday at 7:30am on 1/3 to welcome back the players.
- We will be offering Bateman chess shirts in January. I am also in talks with our vendor about the possibility of a track-style team jacket. Before the break, I will be sending home an interest form if you are considering an order for a shirt or jacket. More information will be on the form, but if you have any questions, let me know.
- Sometimes flyers will be sent home for other chess events. Some of these are rated tournaments that require entry fees, while others are free events offered by a variety of organizations like the Chicago Chess Center, the Knights Move Chess Club in Pilsen, among others. Whenever the event is a team event that is open to all of our players, I will attach a permission slip. Otherwise, the participation is optional. As always, if you ever have any questions about any of the upcoming chess events, do not hesitate to contact me. I encourage Bateman players to play in as many events as they want to, but unfortunately I cannot always make it to every activity.
- There will be more tournaments in 2020, including some big state and national events. Some dates to keep in mind in March and beyond include: CPS Playoffs (3/14), IL K-8 State Championships (3/20-22), CPS Championships (3/28), National K-12 Championships in Columbus, OH (4/3-5), and the National Elementary (K-6) Championships (5/8-10). We will begin planning for the state and national events in January. There is already some information available on the Chess Event Calendar on our team website.
- Every Chess team member now has their **Chesskid.com** Gold membership. Students should be using their accounts for additional practice and sharpening of their skills. Family and homework should always come first, but the Chesskid memberships were paid for by school fundraising, and therefore should be used when possible.
- For those of you on Facebook, please check out the Bateman Chess Team page. We offer updates and links to events and other chess news.

Thank you for involving your child in this program. If you have any questions or concerns, you can contact me at acgeisler@cps.edu or (773)534-5055.

Sincerely,

Mr. Geisler

Member: U.S. Chess Federation, Illinois Chess Association (Youth Committee), Chicago Chess Foundation (Board member)

CCF at Taft High School

6530 W Bryn Mawr Ave, Chicago, IL 60631
